GAME SETTINGS

Board-size:

20

A horizontal slider control for the board size. It consists of a thin gray line with a thicker, rounded gray handle at the right end, indicating the current value is at the maximum.

Ship amount:

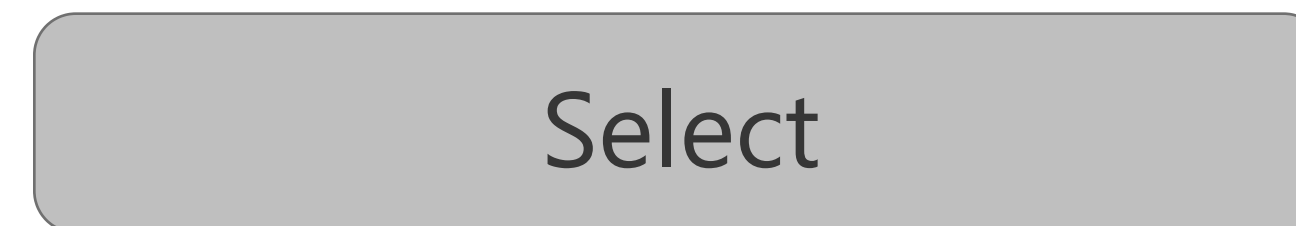

30%

A horizontal slider control for the ship amount. It consists of a thin gray line with a thicker, rounded gray handle at the right end, indicating the current value is at the maximum.

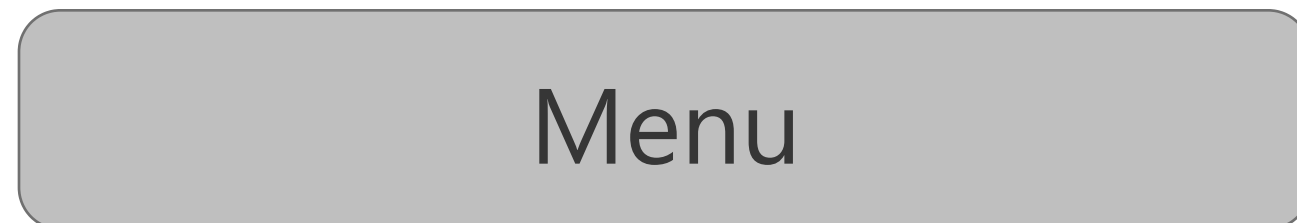

Difficulty:

A difficulty selector control. It features a white rectangular box with rounded corners, containing the text "Easy". To the left of the box is a gray button with a left-pointing triangle, and to the right is a gray button with a right-pointing triangle. Below the box, there are three small, faint vertical lines indicating a range or progression.

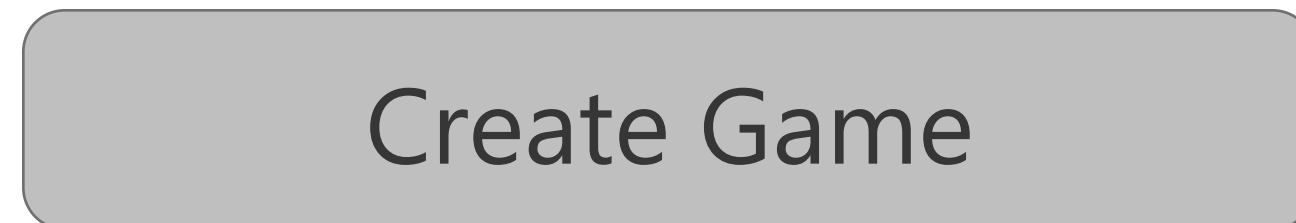

Load game:

A gray rectangular button with rounded corners and a thin black border. The text "Select" is centered on the button in a dark gray font.

Menu

A gray rectangular button with rounded corners and a thin black border. The text "Menu" is centered on the button in a dark gray font.

Create Game

A gray rectangular button with rounded corners and a thin black border. The text "Create Game" is centered on the button in a dark gray font.
